To

The Managing Director,
APGENCO, Vidyut Soudha,
Hyderabad – 500 082.

Sub:- APSEB EE – Sanction of Executive Director(ED) Posts and SGP for SE& CE cadres- Requested.

It is to submit that there has been several representations from this association for sanctioning of Executive Director(ED) posts for engineering community., but so far these posts are not being filled up for last ten years.

In this connection, It is learnt that sanction of Executive Director (ED) post for certain officials is under consideration. At this junction, this association once again request to consider revival of ED posts for senior engineers as a token of recognition for their rich and long experience before retirement, which will boost the morale of officers. Further APGENCO is a Technical Organization, run and managed by Engineers and other services shall only supportive in nature.

Contd .. 2

Further, it is also to submit that most of the engineers are being continued as Superintending Engineer & Chief Engineers for lengthy period. To motivate these engineers, this association requested several times and appraised the need of time bound promotions.

It is therefore requested to extend the SGP for SE and CE cadres also in line with other cadres of APGENCO.

We once again assure that we firmly extend all our cooperation for making this organization one of the best power utility in the country.

Yours Faithfully,

M.VEDAVYASA RAO
Secretary General
