Tirupathi.

Respected Sir,

Sub: APSEBEA –Bifurcation of employees between AP and Telangana power utilities – Reg.

Ref: Written submission made to the committee members by APSEBEA on 22-03-2016

\*\*\*\*\*

Further to the submissions made by this Association to the managements and as well as committee members and the views expressed in the meeting conducted with all the unions and Associations on 22-03-2016, APSEB Engineers Association wish to bring the following points to take in to cognizance.

- The management and committee members of AP are requested to submit to the Former Hon'ble Supreme Court Judge, who is the chairman of the committee, that, A.P.Power utilities shall have a right of refusal of any opinion expressed which is against Law or constitution, which will harm the interests of A.P.Power Sector or the employees.
- The managements and the committee members of AP shall not enter into any agreement which is against the interest of stake holders or the A.P. Re-organization act. On earlier occasions mutual discussions were held going beyond the legally permissible cadre strength in APGENCO and APTRANSCO while trying for amicable settlement which was turned down by the Telangana Power utilities. Now the management and the committee members of AP are requested not to go beyond the legally permissible cadre strength (as is where is basis in field and population ratio in the Head Quarters) for APTRANSCO and APGENCO which are going to affect the stakeholders.
- It is felt that, if the decisions given by the committee or verdict of the High Court is detrimental to the interests of employees or A.P. Power Sector or against to the AP Re-organisation Act- 2014, the managements shall approach the Supreme Court for getting the justice.

Thanking you,

Yours faithfully,

M.Vedavyasa Rao  
Secretary General
