Hyderabad
9-11-2015

To

The Chairman and Managing Director,
AP Transco, Vidyut Soudha,
Hyderabad.

Respected Sir,

Sub: Shifting of head quarters of APTransco and
APGenco from Hyderabad to Vijayawada-Reg

Ref: CMP.No.2036/GSP/2015,Dt.06-10-2015

----- * -----

APSEB Engineers' Association wishes to bring to your kind notice regarding the following issues to be addressed for implementing the direction cited above, in shifting of Headquarters of APGenco and APTransco to Vijayawada.

❖ Final allocation of employees between AP and TS power utilities is not yet completed. So without finalizing the employees who are allocated to A.P., it is not appropriate to move the employees. Therefore Option process/final allocation of employees shall be completed before shifting of head quarters.

Contd .. 2

❖ Finalization of Assets and liabilities between AP and TS power utilities is not yet completed. Further, as per AP Re-organisation Act 2014, AP has 58% share in Vidyut Soudha and Corporate Training Institute in Erragadda. These assets shall be divided physically, demarcated and separated and taken in to possession which can be useful to AP Power Sector. Finalization of Assets and Liabilities between AP power utilities and TS power utilities shall be completed along with employee bifurcation. The properties of Vidyut Soudha and Corporate Training Institute shall be separated physically and kept under exclusive possession for future use.

❖ AP Government has completed the bifurcation of employees. Further the public has lot of work with the Government offices. Therefore it is logical to move them to capital. The offices now operating from Vidyut Soudha are APGENCO and APTRANSCO. APGENCO and APTRANSCO do not have any public interaction for their day to day work. The public interaction is with APDISCOMs which are very much present there. Therefore moving of APTRANSCO and APGENCO Head quarters can be done to the Amaravathi Capital directly after constructing the Building for corporate office than moving twice thereby avoiding hardship to the employees as well as unnecessary expenditure. Further Hyderabad is granted as common capital for 10 years. The right of the employees and right on the assets is at stake.

❖ Intimation of road map for shifting of head quarters to Amaravathi Capital shall be made at least one year before.

❖ Non-availability of Infrastructure at Vijayawada to meet immediate requirements viz. availability of houses for rent, transportation, hospitals, drinking water and road connectivity etc.,. Also, the cost

of living is high due to sudden rise in demand for such amenities compared with Hyderabad. **The rental accommodation is three times to Hyderabad for similar accommodation.**

- ❖ Employees need proper Residential accommodation. AP Government is contemplating to allocate land for the employees to construct their own houses in the capital. **Similar facility shall be extended to the Electricity Employees also by allocating land in the capital for constructing own houses on cost basis.** This will facilitate the employees for early construction of houses at permanent capital and avoid travelling of longer distances to reach office.

❖ Hospitals and Education facilities are to be improved at Vijayawada.

Therefore, benevolent authority is requested to take decision considering above grievances and effecting the shifting of Head Quarters of APTRNSCO & APGENCO only after constructing offices at Amaravathi.

Thanking you and assuring you full co-operation all the times

Your's faithfully

M.VEDAVYASA RAO
Secretary General
