To,

The Honourable Chief Minister,

Govt. of Andhra Pradesh,

Hyderabad .

Respected Sir,

Sub: APSEBEA – Andhra Pradesh Re-organization – Allocation of Directors in Andhra Pradesh in Power sector – Requested – Reg.

\*\*\*

With the Re-organization of the state of Andhra Pradesh, lot of challenges have emerged in the power sector regarding capacity, availability of power, Operation of PPAs, Establishment of new Load Despatch Centre, Creation of additional generation commensurating with the demand as well as for catering to the new Industries to be developed, above all shortage of funds . The APSEB Engineers' Association assures that we are solidly behind the Hon'ble Chief Minister in all the development activities where the role power sector is crucial. The APSEB Engineers' Association will percolate the initiatives taken-up by the Hon'ble Chief Minister to the gross root level for transforming the vision in to realty. The APSEB Engineers' Association feels very happy at the initiatives taken regarding 24/7 power supply. At this crucial hour, the APSEB Engineers' Association wishes to submit few lines for favour of kind consideration and necessary urgent action please.

Presently certain Director posts in APGENCO/APTRANSCO are vacant. As per the existing norms, even the services of existing Directors are being utilized as per their region only. Classic case being Sri Pulla Reddy, Director / APCPDCL, was transferred to APSPDCL on regional basis. Needless to emphasize that, unless the TOP Management is put in place, the challenges in the power sector can not be met with success.

Similarly a new Team is to be appointed to the AP Electricity Regulatory Commission also.

Thanking you and Assuring our co-operation at all times,

Yours Faithfully,

(M. Vedavyasa Rao)
