To

Dt. 1-3-2009.

The Chairman & Managing Director,
APTRANSCO,
Vidyut Soudha, Hyderabad.

Respected Sir,

Sub: APSEBEA - Certain long pending issues concerning the
Engineers - unrest among the members of the Association -
Regarding.

Ref: 1. Agitation notice issued 3.2.2009 & letter dated 12.2.09.
2. Minutes of meeting dt 11.2.2009.

The APSEB Engineers' Association had issued agitation notice cited(1) for redressal of long pending issues concerning the Engineers. Keeping in-view of the assurances given both by the management and the Honourable Chief Minister of Andhra Pradesh and Minutes of Meeting entered with this Association by APTRANSCO, as a responsible Association, we have postponed the agitation programme vide our letter dt: 12.2.2009 and requested the management to resolve the issues with-in a weeks time. But to our dismay no tangible results are coming even after more than two weeks time.

The abnormal delay that is taking place is causing concern and frustration among the Engineers. Keeping the above things in view, we once again request the management to finalize the issues amicably before 3-3-2009 to keep-up the mutual trust. Any further delay in this regard, may lead the situation out-of-control and cause severe disturbance in the Industrial Harmony for which the Management is squarely responsible.

Assuring our best co-operation at all the times.

Thanking you,

Yours faithfully,

Secretary General
