4. Fixing-up of the ratio among the Graduate Sub-Engineers who are converted as AEs, direct recruited graduate Engineers, AAEs converted as AEs and AAEs in APTRANSCO and APGENCO in the AE cadre. Also some of the sub-engineers are obtaining graduation through dubious methods from institutes like Vinayaka Machines and IME and through Distance mode and getting converted as AEs in APGENCO. The quality of Degrees awarded by the above Institutions is very poor. This shall be dispensed with and a proper methodology shall be arrived for the conversions in to AE cadre.

5. To prepare and release DIARY 2011.
